Discover how we can end slavery

**We are home to the world's leading contemporary slavery experts
and have built the world's first large-scale research platform for
ending slavery.**

- As an **UN Alliance 8.7 Pathfinder Country**, the Uganda Government is committed to meeting SDG Target 8.7;
- In order to achieve this target data needs to be collected and analysed to better understand the complex issues surrounding TIP and resources developed to support anti-TIP activities and risk management;
- ASTUS proposes the co-development of a space-based solution = a **Modern Antitrafficking Support System** (MASS).
